## We are proud to commemorate our 30<sup>th</sup> year!

The Professional Tennis Registry Foundation is extremely proud to celebrate its 30<sup>th</sup> year! The Foundation has compiled an amazing list of accomplishments over the past three decades and is committed to continuing and expanding its reach. We can only do this with your support!

In this year alone the PTR Foundation has given out over \$26,000 in donations to worthy causes such as:

- \$3,500 to the Special Olympics Program
- \$5,000 to the ROHO Wheelchair Tournament
- \$5,000 toward the distribution of a PTR produced educational video
- \$2,500 to the NJTL of Indianapolis, IN
- Over \$10,000 in grants and equipment to programs in Centralia, IL, Westminster, CO, Auburn, MA, Shelbyville, KY, Mozambique, Africa; Canton, MS, Angola, Africa; Alexandria, PA; Alexandria, VA; Cazenovia, NY; Kingston, Jamaica; Columbia, SC.

Several years ago, PTR and PTR Foundation founder, Dennis Van der Meer, asked every PTR pro to support the PTR Foundation by donating the equivalent of one lesson to the Foundation. Now, more than ever, we need to again ask you for your help.

Together, we can reach our goal of *making tennis available to everyone!* Please click on the following link to go to the printable Donation Form, [www.PTRTennis.org/pdf/FoundationDonationForm.pdf](http://www.PTRTennis.org/pdf/FoundationDonationForm.pdf).

Please return your donation today!

Thanks!
