Attention!

– Tennis Directors, Pros, & League Managers

Save Time -- Look Professional: It's all about saving time, looking professional, and running better events. The ***EVENTS*** and ***MANAGEMENT TOOLS Folders*** are great – but ***the ROUND ROBIN and DRAWS Folders are the clincher.*** They'll save you time -- and your printouts will look professional. And they're fun to use!

The DIRECTORS PACKAGE: This product comes on a disc and can be easily saved to your computers. It is designed for anyone in the business of running tennis activities. It contains three large folders:

1. **The EVENTS folder:** Contains hundreds of ideas for running special events all conveniently categorized into folders containing events for MEN, WOMEN, JUNIORS, and TRADITIONAL CLUB EVENTS.
2. **The MANAGEMENT-TOOLS folder:** Dozens of excellent and very handy files that a manager will use on a daily basis to run the club operations, manage the staff and organize the programs.
3. **The ROUND-ROBIN and DRAWS folder:** This is the folder that will save you tons of time and make you look like a super-pro. There are five categories of ***ROUND ROBINS*** and a folder with every ***ELIMINATION DRAW*** (with or without consolation) and ***COMPASS DRAWS*** for 8, 16, or 32.

Testimonials from fellow pros:

- **Steve Keller, PTR Dir. Of Development, Hilton Head:** "I have seen many innovative software products and after seeing Brian's first hand – it is simply ***THE BEST!*** The navigation through the software is effortless. This is a ***MUST HAVE*** for every tennis club!
- **Greg Grover, Owner of Windward Lake TC, GA says:** "I wrote the book on tennis programming & round robins – but Brian's software has made my book obsolete. We run hundreds of events and I haven't opened my book in over a year – Brian's software has taken over completely."
- **Mark McMahan:** "Brian's software is Grover's Book on steroids."
- **Marc Gelina, Tennis Director of the Crestview CC, Kansas:** "I've had Brian's program for over 1 year now – and I use it all the time. It's absolutely ***FANTASTIC!***"
- **Dave Dvorak, USPTA Master Pro & Tennis Director of the Dunwoody CC, GA says:** "...this software is a no-brainer, ya gotta have it if you're in the tennis business."
