PTR & MotionExpert Join Forces

Hilton Head Island, SC - - Professional Tennis Registry (PTR) and MotionExpert have joined forces to provide PTR tennis teachers and coaches worldwide with video analysis software that will help their players improve more quickly by enhancing their attention to detail.

MotionExpert technical analysis software offers a number of tools that provide tennis coaches with a simple but powerful way to analyze their player's technique, allowing coaches to clearly demonstrate important technical points to their players.

We are pleased to announce that all PTR members will receive a 25% discount on the powerful and affordable video analysis software. The software also comes with a FREE 300 shot professional player DVD, so PTR members will have great access to video clips of the world's top tennis players.

With MotionExpert, PTR members will be able to study their players' games in fantastic detail, split the screen layout to see how they have improved over time, or draw comparisons from one of the many professional examples that come with the software. MotionExpert has many functions that can really help players improve, including the ability to make frame-by-frame picture sequences, burn video clips to CD and make video presentations.

PTR members can also take advantage of a FREE membership to www.procomparetennis.net. The website has hundreds of free video clips that can be downloaded and used in MotionExpert, as well as plenty of action photo sequences that can be printed and used as teaching tools during lessons.

“PTR membership is known for excellence and value. Offering MotionExpert adds another great benefit to the already extensive portfolio of benefits that PTR members enjoy,” said Dan Santorum, PTR CEO.

“We are very excited to be able to work with PTR members around the world. MotionExpert can enhance a coaching program and help players improve at a quicker rate,” said MotionExpert Co-Founder, Simon Grieve. “MotionExpert will help coaches take their games and their players’ games to the next level.”

PTR is the largest global organization of tennis teaching professionals with 13,000 members in 126 countries. It has the greatest percentage of multicultural and women members of any such organization. PTR is dedicated to educating, certifying and servicing tennis teachers and coaches around the world in order to grow the game.
